

PROPHARM GEL

SKIN-PROTECTING BATH GEL

Shower gel with a delicate texture specially designed to provide deep cleansing while respecting the most sensitive skin types.

It provides a pleasant feeling of comfort thanks to its mild fragrance.

Specially designed for frequent skin hygiene in nursing homes, day centres, geriatric centres, functional recovery centres, nurseries, and others.

APPLICATION AREAS

Recommended for frequent hygiene of all skin types in areas where a balanced and affordable cosmetic-quality product is desired.

Designed for daily skin care and hygiene in residences, day centres, nursing homes, nurseries, shelters, campsites, cruise ships, sports centres, spas, swimming pools, offices, and work areas, and others.
