

Sanit[®] Ecocare

BODY MILK

It's a moisturising and revitalising body milk, rich in emollients and softening substances. It contains soluble collagen, Aloe vera and allantoin to prevent dehydration and the loss of skin elasticity. The product is designed for its application with exclusive **PGS[®] Systems** supports and is intended exclusively for the **Black Line**. A bathroom product range with an elegant colour tone and timeless lines that reflect style.

APPLICATION AREAS

Recommended for skin care and complete body hydration. Recommended for hotels, spas, gyms and all those places where a continuous public toilet and a premium local image are required.
